## Ascent Medical Employee Participates in the Berlin Marathon

Product Manager, Stephen McConaghy, competed with more than 40,000 other runners in the 37<sup>th</sup> Berlin Marathon on Sunday, September 26, 2010. Running in a persistent rain, Stephen completed the 26+ Mile (42.195 Kilometer) course in 3 hours and 38 minutes placing him in the top 20% of the total field. He even managed a smile after completing this supreme challenge of physical stamina and endurance!

Please join us in congratulating Stephen for his fine performance and world class finish.
